Foreshore Road,
Bombay,1. 2-8- 1950.

To

The Honorary Secretary,
Karnatak Chamber of Commerce,
Hubli.

Subject:-Jog-Karnatak Electric Grid Scheme.

Dear Sir,

With reference to your letter No.H-6/700 dated 29-6-50 addressed to the Assistant Secretary to Government, Public Works Department, Bombay asking for information regarding the progress made in connection with the Jog-Karnatak Electric Grid Scheme I have to state as follows:-

1) The survey work of Transmission line routes and sub-station sites is being actually carried out at present under the supervision of an Officer of this Department.

2) Tenders for sub-station equipment have been received and orders will be placed as soon as the necessary foreign currency is made available by the Government of India.

3) Specifications for Transmission line materials have been sent to Director General of Industries and Supplies who will invite tenders. As soon as the tenders are received they will be scrutinised and orders will be placed with the selected tenderer.

4) The connected Civil Engineering Works will also be taken up in time so that these will also be completed simultaneously with the other works.

Every effort is being made to execute the scheme without delay. The progress made so far and the programme of work were also explained in detail to your Secretary Shri Sirur when he called on me the other day.

Yours faithfully,

Electrical Commissioner
with the Government of Bombay.
